Louise Fishman solo presentation with Locks Gallery

Locks Gallery is pleased to exhibit a solo presentation of Louise Fishman (1939–2021), revisiting the late artist's practice of uncompromising work that is at once architectonic and poetic for ADAA's The Art Show 2021.

[continued on reverse]

Louise Fishman's paintings are layered upon an improvised structural grid assembled out of strokes, skeins, and slashes of oil paint applied with large serrated trowels and scrapers, along with more traditional paint brushes—and sometimes, her hands. Through working and reworking canvases over a long period of time, Fishman's body of work celebrates the process of painting and its materiality in works where containment and release are palpably visible.

ADAA's The Art Show 2021 is located at the Park Avenue Armory, Park Avenue and 67th Street in New York City. The show runs from November 4–7, 2021. For more information please contact us directly by email at info@locksgallery.com or by phone at 215-629-1000.
