

NIGHTFALL

A Group Show

OPENS SEPTEMBER 10

LOCKS GALLERY

Alex Katz, *Black Brook V*, 1989, Oil on canvas, 90 1/2 x 66 1/4 inches

At the Lake. Up the Creek. In the Studio.

Moonlit waters reflect a blackened forest. Shadowy leaves sway over a stream.
A wall of windows and a city aglow.

Like a nocturne, *Nightfall* presents a lyrical dialogue between five artist's varied interpretations of the mysteries of the night, including works by **Alex Katz**, **Louise Nevelson**, **Jennifer Bartlett**, **Sarah McEneaney**, and **John Moore**.
